

# Cancer Survivorship Summit

Improving outcomes for people living with and beyond cancer

Friday 23 February 2018 The Studio Birmingham

*Exhibiting at this Conference:*

# amoena

Amoena is the world's leading breast care brand. Headquartered in Raubling, Germany, Amoena was established in 1975 and was the first company to introduce a silicone breast prosthesis.

As the industry pioneer, Amoena combines technology with supreme comfort, offering an extensive line of bras, swimwear, clothing and breast symmetry products.
