

Anticoagulation Therapy Services Summit Delivering Excellence in Patient Safety & Quality

Friday 28 April 2017 DeVere West One Conference Centre, London

Exhibiting at this conference

Working to improve the prevention of venous thromboembolism (VTE) and management and care of unavoidable VTE events. Our mission is for everyone to know the risks, signs and symptoms of thrombosis, and to support research and education that extends understanding into prevention and best management of VTE.
