Day 1 - Thursday 28th September 2023, Hallam Conference Centre

09.15 Registration, coffee & pastries

Delegates are allocated to one of the airway masterclasses and three of the other masterclasses, you can select your top three on booking.

NEO – Northwick Education in Oxygenation Workshop

09.50 - 12.40, repeated at 13.30 - 16.20 (all delegates attend either AM or PM)

There will be a short coffee break at 11.10 and 14.50 where delegates can view exhibitors

Dr Rajinder Chaggar and Dr Sneh Shah

Consultant Anaesthetists

London North West University Healthcare NHS Trust

This multidisciplinary, DAS approved workshop focuses on airway management and offers delegates quality hands on teaching through a variety of basic to advanced airway skills. Including video laryngoscopy, high flow nasal oxygenation, EFONA and ultrasound of neck. Delegates will rotate through stations with dedicated faculty.

Workshops morning sessions - 09.50, 10.45 & 11.55 afternoon sessions, 13.30, 14.25 & 15.35

(all delegates to attend 3 of the below workshops)

Delegates will be allocated their workshop timetable on the day based on their selection. Each workshop is 50 minutes, with time for movement and a 15 minute coffee break at 11.35 and 15.15 where delegates can view exhibitors

Regional Anaesthesia

Dr Dan McNaughton, Dr Eoin Harty and Dr Laura Peltola

Consultant Anaesthetists

London North West University Healthcare NHS Trust

Two live scanning stations with models focusing on the fascia iliaca block and a second station focusing on ultrasound of spine to aid delivery of spinal anaesthesia. Two other stations will focus on needling and scanning techniques using phantoms.

Processed EEG

Dr Douglas Blackwood

Consultant Anaesthetist

University College London Hospitals NHS Foundation Trust

The basics of pEEG and depth of anaesthesia monitors
