Christina Bateman is a Legal Director in the Healthcare Department at Clyde & Co's Manchester Office.

Christina specialises in Defendant clinical negligence litigation on behalf of NHS Resolution, NHS Trusts and General Practitioners. Christina has over 10 years' experience working in clinical negligence and has a proficient grasp of complex law and medicine, and the interaction between the two.

Christina manages high value and complex claims.

She has acted for Defendants in maximum severity birth injury claims, claims concerning spinal injuries and wrongful birth claims. She has also acted for Defendants in sensitive claims concerning fatalities, as well as multi-party actions.
